## February Newsletter

### A Note from the Principal . . .

Winter is finally upon us. We have had some very cold temperatures, a snow day, and a late start in the past two weeks. Next week is February break. Hopefully it is a time for students to rest, have fun, and recharge. This has been a busy couple of weeks. February 11th marked the 100th day of school. It is hard to believe that we have already had 100 school days. We have many exciting events happening after the vacation. Be sure to see the upcoming events section of this newsletter. Have a wonderful February vacation!

The NED Show Assembly	3/30
Children's Stage Adventures Grades 2 & 3	5/2-5/6
Maine Author, Josh Alves	5/12

## 100 Days of School

Thursday, February 11th was the 100th day of school. Many classrooms celebrated this day with special activities and events.

## Winter Gear Reminder

Reminder: Please help us by reminding your student to be sure to have a winter coat, ski pants, boots, gloves/mittens, and a hat daily. They should also have extra clothes at school in case they get wet.

## Focus Class—Miss Anthony's 3rd Grade

Miss Anthony's class has been very busy. We had our first field trip to the MRC for ice skating lessons. The students had some bumps and bruises but they never once gave up. They look forward to their next lesson so they can become even better skaters. Some have even been going on the weekends or after school to get more practice. They are determined.

We have hit the 100<sup>th</sup> day of school. We celebrated by writing poems, making a list of 100 words we can write, completing 100 math problems, and writing what it would be like to turn 100 years old.

Our class has started buddy reading with 8<sup>th</sup> grade students from Oceanside West. We had our very first visit and the 8<sup>th</sup> graders interviewed the 3<sup>rd</sup> graders. Our class is so excited and can't wait until the next Thursday our buddies come to read with us.
